

## Automatic Seed Counter FM-ASC-A100

### Overview

Automatic Seed Counter FM-ASC-A100 offers a high counting speed, processing e1000 grains in just 3 minutes. It is designed for fast and efficient seed analysis. It accommodates seed size range from 1mm to 23mm, offering exceptional accuracy. It is provided with a 7-inch touch screen for effortless operation. This is equipped with advanced optical sensors and customizable settings.

### Specifications :

Counting Seed length	1 to 23mm
Counting error	-20 (the speed of the gear and the dander falling off from the seed vibration will affect the counting accuracy)
Counting Methods	Pre-set & auto stop counting Batch counting
Counting speed	e1000 grains/3 minutes (take sesame as an example)
Vibration noise	d80dB
Counting capacity	1 to 99999
Power Consumption	220V/AC 15W, 110V/AC 15W
Power supply	220VAC/50Hz and 110VAC/60Hz compatible
Dimensions	370 x365 x315mm
Weight	19.5 Kg

### Features :

- Pre-set counting
- Auto stop counting
- Batch counting
- Adjustable sensitivity
- Multiple power supply options
- Data recording & export
- User-friendly interface
- Maintenance alerts

### Applications :

Automatic Seed Counter FM-ASC-A100 offers accurate seed counting for various seed sizes. Its Batch Counting, Pre-set Counting & Auto Stop features delivers efficient results for research labs, seed production, and agriculture.

### Accessories :

Name	Quantity
Vibrating disc	1Pc
Touch pen	1Pc
Cross screwdriver	1Pc
Torx head screw	1Pc
Large cup	1Pc
Power cord	1Pc
